## COLOR BY NUMBER: EQUIVALENT FRACTIONS

**Directions:** Decide what colors you want to use by coloring in the box below each fraction with that color. Each fraction must be a different color. Then color each section of the picture using your color code.

$\frac{1}{2}$	$\frac{1}{3}$	$\frac{1}{4}$	$\frac{1}{5}$	$\frac{2}{3}$	$\frac{3}{4}$	$\frac{4}{5}$	$\frac{6}{6}$
